

Towne Station – Get Involved – Stay In Touch

So you think you may want to get involved with this HOA thing, huh? Please do... Board Members live in the neighborhood, just like you. And the pay is great... if \$0.00 is great (but the compliments are awesome).

So here's what you can do:

- Attend a Meeting... or better yet, attend them all ☺ Feel free to bring cookies.
- Ask how you can help (Board Members are volunteers too).
- Come to our Annual General Assembly and run for a position on the Board of Directors. By the way, our next such scheduled meeting is November 3rd 2015, for Officers for 2016.
- Don't want to run for office or be on the Board? That's ok, you can still come to the General Assembly and vote for your choice of Board Members.
- Don't want to be on the Board, but still want to be involved? Well, you can do that too! You don't have to be on the Board to be involved or volunteer. If you think you can help, or have something to offer (even it's a critique), get in touch with a Board Member or come to any of our Monthly Board Meetings.

Regardless of whether or not you want to volunteer or be involved, be sure to at least keep an open line of communication with the HOA. Please be sure to keep your contact information with the HOA up to date.

- Send us an email with your current information, and we'll make sure you're updated in our records.
- Signup for your HOA's Text Alert System – we promise we won't send you lots of crazy text messages NOTE: Text "TSHOA" to 71441, and follow the prompts, or signup on our website.
- Signup for our E-Newsletter – we promise not to spam you with crazy emails or share your email address with others. Signup on our Facebook Page or on our website.
- Download our Mobile App – Got a smartphone? If you have an Apple iPhone or Android phone, be sure to download our Mobile App. Go to your phone's app store, and do a search for "Towne Station", and it should show up. Allow "Push Notifications" and you'll be notified when we make an announcement about something. Keep in mind, our Mobile Apps are brand new, so we're still updating some of the features and such.

Thanks for calling our subdivision "home" and for helping to make it what it is... a great place to live!
